

Worlds Apart, Futures Together.

Strategies for Creating Prosperity
and Sharing Opportunity in Fresno

Fresno Works *for* Better Health

JOIN THE DISCUSSION!

On Wednesday, September 6, 2006,
Fresno Works for Better Health cordially invites you to a summit on
leveraging our community's assets to create future prosperity for all!

Summit Location:	Fresno Convention & Entertainment Center Exhibit Hall II – Downtown Fresno
Doors Open:	8:00 am
Summit:	9:00 am until 4:00 pm
Cost:	\$20.00 per participant; students are free
Summit Includes:	Continental breakfast and lunch
Summit Features:	Several nationally known speakers will be present at this summit, and they include:

Neal Peirce, journalist and
author of *Citistates: How
Urban America Can Prosper in
a Competitive World*.

Alan Berube, Brookings
Institution Scholar and co-author
of *Katrina's Window: Confronting
Concentrated Poverty Across
America*.

Angela Glover Blackwell,
Founder of PolicyLink and
co-author of *Searching for
the Uncommon Common
Ground: New Dimensions on
Race in America*.

Dr. Robert K. Ross,
President and CEO of the
California Endowment.

In Addition: Panel discussions and action sessions will be
offered to explore economic and health
policies that impact opportunities to create
a shared prosperity in our community.
